Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Tree Preservation) (England) Regulations 2012

Copper Beech (T1) - fell due to approved construction works having compromised the life expectancy. Replant with one *Carpinus betulus* 'Fastigiata' in the same place.

Copper Beech (T2) - fell due to approved construction works having compromised the life expectancy. Replace with 5 x *Sorbus aria* 'Majestica' in locations recommended by the Tree Officer.

Worthing Audi Roundstone By-Pass Road Angmering

Thank you for your internet representation made on 15th May 2018 which has been recorded as **'an objection'** with the comments as follows:

I strongly object to the proposed felling of these significant trees. These trees are subject to a protection order and as such should be protected. The loss of these trees will be detrimental to the visual impact of the development and the character of the area will be greatly compromised. These important trees are beneficial to the environment and have been enjoyed by local residents for many years. The aim should be for any development to result in a benefit in environmental and landscape terms.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
