Copper Beech (T2) - fell due to approved construction works having compromised the life expectancy. Replace with 5 x *Sorbus aria* 'Majestica' in locations recommended by the Tree Officer.

Worthing Audi Roundstone By-Pass Road Angmering

---

Thank you for your internet representation made on 28th May 2018 which has been recorded as **'an objection'** with the comments as follows:

*I object to the two copper beech trees being felled the trees are mature & magnificent and a wonderful landmark and an asset to Angmering far too many trees have been lost in our local vicinity due to development , what is the point of a TPO if they are not upheld we need to preserve these trees for future generations .*

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

Planning operates an 'open file' policy and will publish details of your comments on the website. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so.
