Dear Sirs,

Re: A/64?18?T

Further to the application with regard to the trees at the new Audi garage site at Roundstone, Angmering, I would like to urge you to use all your powers to stop these copper beeches being compromised by the arrogant disregard to building permissions granted for this site.+

These are or were healthy, mature trees and an asset to the environment and their destruction is totally contrary to the planning laws.

I look forward to reading that a: the trees are safe or b: the contractors are being prosecuted for violation of the planning laws.

Yours etc.
Lynne Brunton.
