Hello,

Yes, please. I strongly object to the felling of any trees!

Thank you for your email.

It is not clear do you wish to object to the planning application A/64/18/T . You have quoted a compliance case reference number. If you do wish it to be treated as a representation please be aware it will be published on our website. Please confirm whether you wish this to be treated as a representation

Yours sincerely

I would like to object most strongly to the destruction of the copper beech trees at the new Audi garage on the A259. These are protected by an TPO and are also part of the old village boundary. Planning consent was given without felling the trees and with explicit instructions to erect a fixed fence. They have breached that order and moved that fence on a Daily basis. They have used heavy machinery in Close proximity to the trees and admitted to damaging them. Work needs to be stopped immediately while an independent tree specialists advice sought.
