Worthing Audi Roundstone By-Pass Road Angmering

Thank you for your internet representation made on 13th June 2018 which has been recorded as **'an objection'** with the comments as follows:

I'm appalled that there has been a request to fell these trees. They are a beautiful asset to the site and to the area. These trees have been here for as long as I can remember. I would like to point out how good they are for the environment and how long it has taken for them to grow. It's not acceptable for the developers to ignore the conditions of planning. If you allow this then this is an open door for builders to do what they like with no regard to the law and the environment that we live in. I've spent my career in the construction industry and during my work have worked within sites with trees. It's always paramount that any trees with protection orders are carefully looked after throughout the contract. This company is letting the construction industry down as a whole. I'm disgusted.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.
