Zac Denton

15th June 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Tree Preservation) (England) Regulations 2012

Copper Beech (T1) - fell due to approved construction works having compromised the life expectancy. Replant with one *Carpinus betulus* 'Fastigiata' in the same place.

Copper Beech (T2) - fell due to approved construction works having compromised the life expectancy. Replace with 5 x *Sorbus aria* 'Majestica' in locations recommended by the Tree Officer.

Worthing Audi Roundstone By-Pass Road Angmering

Thank you for your internet representation made on 15th June 2018 which has been recorded as **'an objection'** with the comments as follows:

I have witnessed to removal of native bird habitat without any care for law or welfare of them. They destroyed nesting sites within the nesting law period also. They must not be allowed to break the law and kill off important flora and fauna. It's a disgrace.

These are protected trees which had in place a comprehensive plan to assure their survival. By the damage caused to the trees it is evident the work has not been carried out competently within guidelines. The applicant should be made aware of the consequences of such action. Angmering Parish Council will support enforcement action if it can be proved this was a flagrant disregard for tree protection regulations. In the absence of a report from an arboriculturalist, it is impossible to know the current state of health of the trees. Such a report is imperative. We note the trees are currently in full leaf, but the long term prospects for the trees cannot be ascertained until spring 2019.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
