

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Hi Ros,

Please see the email below and the attachment from Jess Sparkes at BDW.

Could you forward the S106A obligation form to Planning Responses and ask them to log it as a new application?

Thanks,

Michael

Hi Michael

I hope you had a nice Easter break!

I was wondering if you could give Solomon a little nudge for us please? We sent the draft DoV back to him last Tuesday so waiting for his thoughts. It would be nice to get that wrapped up.

I also attach a S106A form to amend the document. I cant see how else to submit this because it cant go via the Portal.

Kind regards

Jess
