Subject: RE: Land at Water Lane, Angmering - Updated Landscape Plans

Hi Michael

The revisions below appear to relate to Parish Council Comments and as far I can decipher specifically hedgerow location in relation to boundary. These would appear satisfactory assuming no conflict with visibility or sight line splays.

I have no further observations or comment to make from my previous, beyond this.

Regards

Sue

Subject: Land at Water Lane, Angmering - Updated Landscape Plans

Afternoon Michael,

Please find attached the following plans:

- Updated Landscape Masterplan (Rev. M)
- Updated Detailed Planting Plan, Sheet 1 (Rev. H)
- Updated Detailed Planting Plan, Sheet 2 (Rev. H)
- Updated Detailed Plant List, Sheet 8 (Rev. H)

As discussed during the meeting, we have moved the hedgerow as close to the boundary as possible whilst taking into account the visibility splays.

I hope that this is satisfactory for Angmering Parish Council and can enable the subsequent approval of the S73 Application (including the Tree Reports) and the discharge of Condition 9 (Noise) pursuant to the Outline Planning Permission.

As a side note, Laura Gibbons (Arun DC Engineer) now has all the information required for the discharge of the drainage conditions (Cond. 23, 24, 25, 26 and 28) and I was hoping that you could chase for a response on this as these are now the only remaining outstanding conditions.

Many thanks,
Sean
