DESIGN AND ACCESS STATEMENT

For

New Fence and Sign

At

St. Wilfrid's Catholic Primary School, Arundel Road, Angmering, West Sussex. BN16 4JR

1. Assessment of Physical Context

St Wilfrid's Catholic Primary School is located within the village of Angmering in West Sussex and the proposed fencing and new sign is to be located within the school site

The main access to the school is on the south side of the building via Arundel Road

The proposed works is as scheduled on drawing 1674/08/PL2

2. Design Principles

The proposed works provides improvements to the security of the Early Years children within an outdoor learning environment, and the sign will assist in indicating the area is part of St. Wilfrid's Catholic Primary School.

3. Amount of Development

There will be no increased development of the site.

4. Landscaping

Any alterations/adaptations and making good where areas are to be disturbed would be undertaken with materials sympathetic to the existing hard landscaping.

5. Access

No changes are proposed to the existing pedestrian or vehicular access and no additional traffic is anticipated due to the works.

All works will be carried out with the intention of improving accessibility to St Wilfrid's Catholic Primary School.

6. Disability Discrimination Act

All works will be compliant with the Disability Discrimination Act using BS8300 as the relevant code of practice.
