Dear Howland,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission

Development: We are applying to erect 3 outbuildings within the rear garden of the property known as The Old Mill House. The 3 outbuildings have been removed as they had rotted, were dangerous and collapsing in areas. The provision of 3 cabins to replace them are for the purposes of 1) a garden office 2) Workshop/Storage Area 3) Garden Room with Kitchenette and Shower/Toilet Room. The replacement and installation of these three garden cabins has no impact on the cottage other than to extend the property's benefits. The proposal is to sit each individual structure upon a concrete base. We have included the details of each of the structures with this application. Along with a covering letter and Access Statement. There are further works required to the Property but we are proposing to do these in stages. There is no impact in the erection of these cabins that will interfere with neighbouring properties. The property attached to The Old Mill House, (The Old Cottage has a current office/salon with kitchen area and shower and toilet facilities). The cabin proposal for The Old Mill House is smaller than that of what has been erected nextdoor.

Location: The Old Mill House Station Road Angmering BN16 4HY
