

Dear Ms Galloway

I can confirm that I now have authority to deal with this as a free NMA application. Can you please mention in your covering letter with the NMA application that this is the case.

Regards

Dear Juan

I understand that you are dealing with the above case with my colleague Russell. I also understand that an NMA is required and that you cannot change the Planning Decision to reference the correct drawing. I believe you are investigating whether you are prepared to waive the fee and I believe there should be no question that you will be able to confirm this as a matter of urgency so that we can forward you the forms for the NMA. I would also appreciate your assurance that the NMA will be dealt with as a most urgent priority and I would appreciate also if you could let me know the expected time scale for this.

Thanks for your help in this matter.

With kind regards

Liz

Dear Russell

The only way that this can be corrected is through the submission of an NMA. In order to forgo the NMA fee (£28 and due to go up to £34 tomorrow) I have to first get a report agreed. For some reason the substitute plan you submitted did not reach the case officer. With your agreement I can get the required report underway.

Please let me know how you wish to proceed.

Hi Juan,

I have been contacted by the Applicant regarding this decided Householder Planning Application as there is quite a bit of concern about the proposed drawings that the Decision has been made on. The Decision, issued on 12th October, appears to be based on proposed drawing number /02R2 but a later revision was emailed in (copy below) on 31st August which appears to have been missed. I have briefly spoken to David Easton this morning and he advised that you would be the best person to speak to regarding this.

Please can an updated Decision be issued with the correct proposed drawings referred to?

Kind regards,

Russell McCourty MCIAT

Dear David

Our client has requested a slight amendment to the plans and I attach herewith a substitute plan for drawings 17027/02R2. The attached drawing 17027/02R3 shows the additional window in plan and elevation. This has been done with the knowledge of Russell who is acting for our client, and in his absence on holiday.

Please accept this as part of the application documents and let me know if you need anything further or wish to discuss this with me.

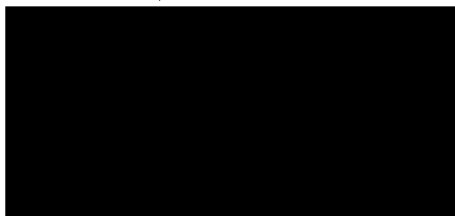

Many thanks

Liz
