Importance: High

A/6/19/DOC

Further to your email Anita regards the aforementioned discharge of conditions for A/6/19/DOC; I will state the following...

I have now read the statement submitted by Graham Bowland (Technical Director) Hepworth Acoustics Ltd [Ref: P18-282-R02] and can state that the EH department are now satisfied that Condition 16 (in its entirety) has now been met for the site with the submission and findings noted within the P18-282-R02 report.

This therefore wholly satisfies Condition 16 and this condition can now be fully discharged accordingly.

Kind regards

Christopher Davis
