Hi Anita,

That is correct, I am dealing with the application. Apologies for the slow response from your email on Monday.

I will not be able to provide you with a plan today. However, I am working on the matter and hope to provide you with an update upon your return.

Many thanks,

Eddie

Dear Edward,

I understand that you are dealing with this matter in Joney's absence. Will you be able to provide me with a plan by the end of today? I am on leave next week and the plan won't be able to be processed when I am not working.

Regards

Anita

I have received Joney's out of office message.
Please can this e-mail be forwarded to a colleague to respond?

Dear Joney,

I am currently going through the evidence submitted with your application and note that there is no mention of the area of fruit trees being used as part of the dwelling within the statements or photographs and I am therefore querying whether the red edge should be reduced accordingly.

I also note that the red edge indicated does not correlate with our Arun Mapping system. The dwelling is shown parallel with the curtilage and the boundary is straight and I believe it is angled slightly. Can you please let me have a more accurate plan that correlates better with our mapping system since I want to ensure the Plan produced accurately reflects the area you have indicated. Could you provide a plan based on our system?

Regards
Anita
