Dear Mr Watkins,

Town & Country Planning Act 1990 (as amended) s211 Notice

Prior Notification of Work to Tree(s) in a Conservation Area

Development: The tree is extremely large and the branches are overhanging above the walk in fridge and freezers including the compressors causing many leaves and small bits of bark to fall into these causing them to break down, meaning the fridge and freezers to break down leading to food having to be thrown at a expense to the business as well as having to buy replacements parts at a cost of nearly £300 a time.

I would like to cut down this tree to stop further damage to the property.

The tree is an Leyland cypress

Location: The Spotted Cow High Street Angmering BN16 4AW
