Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Development Management Procedure) (England) Order 2015**

Application No: A/71/21/HH  
Site Address: Rond Point Ham Manor Way Angmering BN16 4JQ  
Description of works: Erection of new fence adjacent to front boundary.

Thank you for your internet representation made on 14th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36251

It is recognised that a similar side garden fence exists on the front boundary to Ham Manor Cottage which is further south on the east side of Ham Manor Way. However, there are no further houses immediately adjacent to the south of it, and the overall street scene is not affected.

The houses immediately adjacent this new dwelling, and others along this length of the road, all have open style frontages. In order to preserve this characteristic and the street scene, it is considered that the proposed fence, which gives privacy to the side garden, should be set further back from the front boundary to line up with the front elevation/face of this new dwelling.

It is noted that some fencing has already been erected in the front garden and it is unclear whether planning permission exists for this.

Your views as made above will be considered before the application is determined.
