Planning Reference No. A/74/13

Dear Sir/Madam,

I would like to express my support for the above planning application and to confirm how important this is to my livelihood.
I have been an employee of Fargro Ltd since February 2009 and therefore the success of this application is crucial to me and the family that I support.
Fargro is something of a small success story within your area having expanded quietly over the past few years all of the time creating new jobs. We have reached a critical time when it is important for us to expand our premises in order to keep improving.
I hope that you will take this into consideration when you carry out your evaluation of the plans. I, and many other Fargro employees would want to continue to be part of a very successful business.

Yours sincerely,

Mr Terry R Horsman
