RECEIVED

Mr John Blunden-Codd

5, Burch Grove.

Walberton,

West Sussex.

BN18 0BB.

Dear Sir

In support of the planning application A/74/13 at the Vinery site for Fargro Ltd.

With Regards to the proposal for Fargro's relocation at the Vinery site on the A27, I have worked in the Horticultural market for my entire working life (41 years) and have been with Fargro for the last 14 years as commercial manager, so I obviously have good reasons to support this development.

First and foremost we have a policy of employing local staff who tend to stay with us, and who we value greatly.

We also have many local suppliers and support our local amenities in this area; we have traded for over 60 years and have a very active and supportive local customer base.

I trust that the planning proposal will be looked on with these issues taken into account.

Yours sincerely
