Dear Sir / Madam

Re: Planning Ref A/74/13

I would like to give my support to the above planning application.

Over the last 2 years, I have been luckily enough to have been part of Fargo. Not only have they given me the opportunity to work for them but also the ability to provide for myself and my son.

They also continue to show support for myself and a genuine aspiration to improve my career in sales and horticulture.

It is important for not only me but the staff and customers of Fargo that our move to the new site goes ahead.

Yours Faithfully
