Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended)

Proposed distribution warehouse and covered storage, trade counter and associated offices. Upgrading of access road for and improvement of existing junction with the A27.

This application is a Departure from the Development Plan and affects a public Right of Way.

The Vinery Poling

Thank you for your internet representation made on 24th June 2013 which has been recorded as '**support**' with the comments as follows:

Both my Grandfathers were present at the founding meeting of Fargro soon after the end of the Second World War and since that time the company has been an essential supplier of goods and technical services to our family business.

Fargro is a unique business within the Horticulture industry and is probably irreplaceable. Horticulture is amongst the largest industries in Arun and West Sussex and as such is a significant employer of local people.

In my opinion the proposed relocation of the business to the Vinery at Poling, with the good access to the road network via the A27 and the retention of the highly skilled and professional work force that are such an asset to the whole Horticulture Industry should be seen as essential by all concerned with the economic wellbeing of this area.

The relocation of the company is unavoidable, given the redevelopment at Hampton Park. I wish to record my support for planning application A/74/13.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.
