17th June 2013

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended)

Proposed distribution warehouse and covered storage, trade counter and associated offices. Upgrading of access road for and improvement of existing junction with the A27.

This application is a Departure from the Development Plan and affects a public Right of Way.

The Vinery Poling

Thank you for your internet representation made on 14th June 2013 which has been recorded as '**support**' with the comments as follows:

We would like to express our support for Planning Reference A74/13 and the proposed relocation of Fargo Limited to the site just south of "The Vinery", off the A27.

As a Company we have built a strong working relationship with Fargo over the past 30 years. We believe the recent expansion of their business to be testament to the quality and level of service they continue to offer.

In our opinion, the proposed development site will meet the operational demands of the company, have only a limited impact on the surrounding area, and ensure the business can continue to operate locally.

We therefore express our support for this application, especially given that it will enable the continuation of the Company's activities without disruption, and provide significant economic and employment benefits to the local area.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange

inetlete

for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
