Dear Mr Cronin.

Reference A/74/13
Fargro Limited – The Vinery Poling, -BN18 9PY

I am writing to give support to the above planning application.

I am a single parent with two children and have been employed by Fargo for the last three years. Fargo have been a fantastic company to work for. They have enabled me to work part time, hours to suit my personal circumstances and I feel privileged that I have found an understanding and flexible company. I work with great people, and do a job which I absolutely love and would be totally devastated if Fargo were forced to move out of the local area.

The Directors have obviously taken many months researching various locations to find a suitable site to secure the success of Fargros future growth and development and I trust and support their decision.

Personally, my travelling time will be significantly increased and I do not relish the idea of travelling past Angmering School at 8.40am but these are minor concerns and inconveniences on my part.

Thank you for taking the time to read my comments and would ask that you approve the planning application.

Yours sincerely
