Thank you for your internet representation made on 2nd July 2013 which has been recorded as '**support**' with the comments as follows:

I whole-heartedly support application A/74/13. Having lived and worked in the area for many years, much of that time within electronics manufacture, I have seen the demise of a large number of strong local businesses as a result. Now as an employee of Fargo I see a vibrant organisation providing essential goods and services to the local horticultural industry as it has done for over 60 years. With a move being required to facilitate the North Littlehampton development, I believe it is essential to ensure the company remains within the Arun district.

The essence of the company's success is the experienced, professional workforce providing unique technical services and products to the supportive customer base founded in the strong local horticultural grower market. The company has developed significantly over recent years as a result and to maintain this momentum and ensure this dynamic business remains in the area it is essential that the re-location to this new site proceeds thereby retaining the staff and continuing to support local growers. This move will ensure Fargo also continues to contribute to a dynamic commercial environment within Arun for years to come.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section.
