Thank you for your internet representation made on 3rd July 2013 which has been recorded as '**support**' with the comments as follows:

Dear ADC Planning,

The West Sussex Growers' Association fully supports the planning application ref: A/74/13 by Fargo Ltd.

Annual output from the Horticultural Industry in West Sussex is valued at over £500m at retail level, and the Industry employs more than 6,000 people locally.

Fargo Ltd. is an integral part of the West Sussex Horticultural Industry, supplying requisites and provisions to Growers in the area.

The planned new location for the Fargo depot at Poling is ideal, giving easy access to the A27 and onward to local Growers.

WSGA looks forward to the completion of this development.

Kind regards,

John Hall

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.
