Please ask for:

Mr C Cronin

25th July 2013

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended)

Proposed distribution warehouse and covered storage, trade counter and associated offices. Upgrading of access road for and improvement of existing junction with the A27.

This application is a Departure from the Development Plan and affects a public Right of Way.

The Vinery Poling

Thank you for your internet representation made on 25th July 2013 which has been recorded as '**an objection**' with the comments as follows:

Having viewed this application on line I do feel that this would be a massive over development in a small, rural community and out of keeping with the historical setting of the village. The prospect of this large scale industrial development is inappropriate and there are other local sites which would have less detrimental impact on residents and are more industrialised already that should be considered before this site. The prospect of slow moving lorries turning onto the A27 is dangerous and with the long traffic tailbacks, the lorry drivers will want to make the quickest exit which will no doubt result in them using the central crossing point opposite Blakehurst Lane to travel East and North.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

inetlete

Yours faithfully

Karl Roberts
Assistant Director Planning & Economic Regeneration
