Dear Sir,

Planning Application A/74/13.
Fargo c The Vineries. Bldg.

I am objecting to this plan
for a number of reasons:

1. The loss of agricultural land
to industrial use, this land
is needed for crops to feed
all the extra people now
in this country.

2. The Vineries is already a
large industrial site out in
the countryside, so
overdevelopment.

3. The extra traffic
generated will add to the

already congested A27. Also
the entrance/exit is on a
very fast stretch of the road,
except when the queues for
the traffic lights at
Crossbush stretch back to
Poring.

Yours faithfully,
