Dear Cian,

thank you for your email. We have been in correspondence with the applicant's consultants. We have received a draft NMU Context Report and draft Road Safety Audit Stage 1 Brief and have sent our consultant's comments on these (in attached technical note). We are awaiting a Transport Assessment.

In view of the outstanding work we need to extend our 'holding direction' and so I attach a replacement Form TR110.

Kind regards,

Elizabeth Cleaver, Assistant Asset Manager

Dear Elizabeth,

I am the case officer dealing with this application for Arun District. Many thanks for your previous correspondence requesting further information from the applicants which I have forwarded to them and encouraged them to contact the HA directly.

The TR110 form is due to expire on 22nd August. Could you please let me know what progress has been made on resolving the outstanding issues outlined in your letter of 17th July , and whether the TR110 is likely to be extended.

Many thanks,

Cian Cronin
