Subject: Tree Outside 1 Lansdowne Road

Good afternoon,

I would like to submit a formal application to carry out works to X1 lime tree outside 1 Lansdowne Road marked as T5 on the plan below, currently within the Angmering conservation Area.

The works we wish to carry out are to remove the stem epicormic up to the main crown break (crown lift to 6m all round) and prune away from the street light number 1 to give up to 2m clearance.

Please feel free to get in contact should you require any further information,

Kind regards,

Darren Wilkinson
