Subject: Prior Notification Of Works To Tree(s) In A Conservation Area - A/75/19/TC

Application ref: **A/75/19/TC**

Location: Outside 1 Lansdowne Road, Angmering

Works proposed: Crown lift to 6m and prune to give up to 2m clearance from street lamp next to 1no. lime tree within the Angmering Conservation area

I undertook a desktop review on June 11th 2019, which was adequate for me to determine the aforementioned Town & Country Planning Act 1990 (as amended) s211 Notice.

I am satisfied that the works proposed will not result in character of the surrounding area being diminished.

I raise **No Objection** to the works that have been applied for and see no reason to make a Tree Preservation Order in this instance.
