Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/76/20/PL
Site Address: Land at Dappers Lane Angmering
Description of works: 84 No. dwellings, public open space, play areas, associated infrastructure & landscaping. This application affects a Right of Way.

Thank you for your internet representation made on 13th June 2020 which has been recorded as an objection with the comments as follows:

OWPC27714

Angmering is already overburdened as the Surrounding info structure is struggling there is almost a constant gridlock when things are normal so tracking 2 to 3 miles can take anywhere from 20 min to 1 hour, the water infrastructure is taking strain as since the new development bursts and blockages have become the norm, air and noise pollution is getting to an Unacceptable level and communication are starting to struggle as mobile and wired networks are slowing down as they get fuller and issues become increasingly Common, the developments are reducing the value of housing and reduce the standards of living and in and around angmering not to mention environmental damage to the surrounding ecosystem, and unless the rampant allowance of development is stoped or a huge investment in infrastructure is made angmering will be ruined along with the image of the local council.

Your views as made above will be considered before the application is determined.
