Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/76/20/PL
Site Address: Land at Dappers Lane Angmering
Description of works: 84 No. dwellings, public open space, play areas, associated infrastructure & landscaping. This application affects a Right of Way.

Thank you for your internet representation made on 22nd June 2020 which has been recorded as an objection with the comments as follows:

OWPC27942

we object to the proposed housing for the following reasons

1. Angmering is already a busy village and would not cope with an increased flow of traffic. presuming that each house has 2 cars, this would be at least 160 extra cars in the village.
2. Dappers Lane is narrow and dangerous already without the increased volume of cars.
3. We are yet to see the impact from the new builds off dappers lane, and the impact on the village, schools and doctors surgery, therefore too early to build more properties in such close proximity.
4. The risk of flooding is already high and we are concerned building on the land opposite would worsen this, causing damage to houses.
5. We are concerned the increase of housing and population would have on the wildlife.
6. We have young children and concerned that the already busy roads to school would be increasingly dangerous for them.
7. With an increase in house there would be an increase in noise, light and air pollution.
8. I work from home and am concerned about the noise whilst building takes place.

We would be grateful if you could consider the comments above.

Your views as made above will be considered before the application is determined.
