Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/76/20/PL
Site Address: Land at Dappers Lane Angmering
Description of works: 84 No. dwellings, public open space, play areas, associated infrastructure & landscaping. This application affects a Right of Way.

Thank you for your internet representation made on 6th July 2020 which has been recorded as an objection with the comments as follows:

OWPC28225

The extensive size of the development will significantly impact the area. A number of smaller developments have recently been approved and are already being developed on Dappers Lane. Appreciate the need for a small number of additional properties, but this plot of 85 is huge! Extensive property development will only create more traffic to an already busy single lane of traffic road. The lane is also commonly used for horse riders, cyclists and dog walkers as a route to the woodland area I would be extremely concerned this added traffic will inhibit and disrupt the peaceful nature of this lane. Finally, we are aware of door mice being protected on this land, 85 residents and potential pets (cats) will hinder this population and ruin the beautiful idyllic fields for horse grazing. I strongly object to the plans due to the need to protect the quiet nature of this lane, including current local occupiers privacy.

Your views as made above will be considered before the application is determined.
