Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/76/20/PL
Site Address: Land at Dappers Lane Angmering
Description of works: 84 No. dwellings, public open space, play areas, associated infrastructure & landscaping. This application affects a Right of Way.

Thank you for your internet representation made on 7th July 2020 which has been recorded as an objection with the comments as follows:

OWPC28272

I've worked in Dappers Lane since 1991 and seen a constant increase in traffic and associated careless/dangerous driving. This is a lane still enjoyed by families, walkers, cyclists and horse riders, the very last thing it needs is yet another development with more cars. Most households now own at least two cars plus visitors, you simply can't keep on adding and adding without there being consequences, both to the local community and the environment. Dappers Lane is too narrow, there are a multitude of "hidden" driveways, many times I've had to take evasion action to avoid an accident, more houses, which equate to more cars, will without doubt put lives at risk.

Your views as made above will be considered before the application is determined.
