Dear Michael

Thanks for re-sending this – I see the email is now on the website, but the attachment does not seem to be there. Sorry to be a nuisance, but I'd be grateful if you could address this – I've included the attachment again with this email

Best regards

John Adams

Dear Mr Eastham

Thanks for posting on your website the email I sent to you earlier today re. potential damage to water supply and effluent discharge.

I noticed that the email I sent to you last Friday, 3rd July 2020 expressing concerns about the amended external works plan and border fencing does not appear on the website. This may be due to my having included an attached plan, or possibly that (as I have just noticed) I did not include my address in that email. As the time limit for comments is now only a couple of days away, I thought it prudent to ask you about this – if necessary I can of course resend the email (this time with the address!) should this be necessary.

Many thanks

John Adams
