Hi Michael,

We have had a quote done for the cost for providing lighting columns along the path from the A259 all the way through Mayflower Park.

We are conducting an online survey at the moment and safety and security whilst using this area has been highlighted many times already, and the survey only went live yesterday.

The costings I have so far is for just under £50,000 for the installation of 11 columns onto this site.

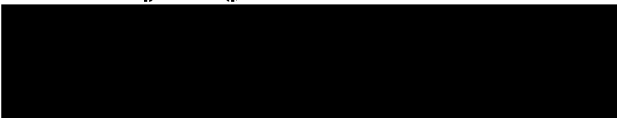

We would like to put this forward to be included in the S106 funding from this development.

Please advise if you require any further information.

Kind Regards

Katie
