Dappers Lane, Littlehampton (water) - OFW-034410 - Icosa Water Services Limited

Dear Sir/Madam

Ofwat recently granted a variation to Icosa Water Services Limited's appointments as a water company under the Water Industry Act 1991 ("WIA91"), and made consequential variations to the water appointment of Southern Water Services Limited. The appointment was signed on 22 July 2021 and came into effect on 23 July 2021.

Icosa Water Services Limited is now the water supplier to a development at Dappers Lane, Littlehampton (water). I have attached a copy of the signed instrument of variation and map of the site area.

Given our current working arrangements due to Covid-19, this email constitutes the notice that we are required to serve on you by section 8(5) of WIA91.

Please can you confirm receipt of this email, that you are content for this email to serve as notice and let me know if you require a hard copy of the documents to be sent in the post.

Kind regards
