

[REDACTED]

Please treat the attached plan as a substitute block plan for A/76/15/PL and A/77/15/L. I have filled out an action sheet.

Subject: Re: A/76/15/PL Erection of single storey rear extension and remodelling of front car park area - Angmering Manor, High Street, Angmering

Anita,

Further to your e-mail please find attached a further 1:500 scale block plan plotting the neighbouring property to the rear.

The correct dimension between the extension and the rear boundary is 5.45m and this is marked on the plan.

Kind Regards

Mike Gray

Dear Mr Gray,

I have started looking at the above application in detail. Whilst I am still awaiting the comments of the Conservation Officer and Historic Building Adviser, without prejudice, I would appreciate receipt of a revised block plan, scale 1:500 to clearly indicate the position of the property to the rear Seniah House and dimension the distance to the rear boundary. The block plan shows a gap to the boundary of 5.65m. The ground floor plan indicates this distance as 5.45m and therefore clarification would be appreciated.

Regards

Anita Gardner
