Dear Mr Beattie,

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2015

Approval of details reserved by condition imposed under ref A/62/19/PL relating to Condition Nos 8 - surface water drainage and 9 - discharge flows to watercourses

Old Blacksmiths Yard Water Lane Angmering BN16 4EP

Notification regarding the above application:

Condition Number 9

The development shall not proceed until details have been submitted to and approved in writing by the Local Planning Authority for any proposals: to discharge flows to watercourses; or for the culverting, diversion, infilling or obstruction of any watercourse on or adjacent to the site. Any discharge to a watercourse must be at a rate no greater than the pre development run-off values. No construction is permitted, which will restrict current and future land owners from undertaking their riparian maintenance responsibilities in respect to any watercourse or culvert on or adjacent to the site.

Reason: To ensure that the proposed development is satisfactorily drained in accordance with policies W DM1, W DM2 and W DM3 of the Arun Local Plan. And to ensure that the duties and responsibilities, as required under the Land Drainage Act 1991, and amended by the Flood and Water Management Act 2010, can be fulfilled without additional impediment following the development completion. It is considered necessary for this to be a precommencement condition to protect existing watercourses prior to the construction commencing.

Decision:

Arun District Council have decided to **APPROVE details reserved by this condition**

The application is approved in so far as it relates to;

Proposed Construction Details Drg.no. 501 Rev A dated July 2020

Proposed Drainage and Levels Layout Drg.no. 101 dated July 2020

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely
