Dear Sir/Madam,

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

Application No: A/77/21/A
Site Address: Land South of Water Lane Angmering
Description of works: Erection of 3 No. non-illuminated Banner flags and 7 No. non-illuminated Totem signs.

Thank you for your internet representation made on 3rd June 2021 which has been recorded as an objection with the comments as follows:

OWPC37042

APC have previously objected to this application that was refused by ADC. There are still too many advertising stands fronting Weavers Hill, there is no need for totem and the banner flags too much of a distraction in the area. Our original objection still stands.

1. In accordance with NDP checklist this application contravenes EH1 as it will have a detrimental visual effect on the Angmering Conservation Area which it adjoins.
2. Road Traffic Safety. The use of flags and advertising boards could constitute a distraction to drivers on a very narrow lane that has shared use with pedestrians, vehicles and public transport. The proposed site is also immediately to the north blind corner.
3. Noise pollution. The siting of the flags may cause a noise disturbance to two residential properties, both within the Angmering Conservation Area. One directly across from the proposed site and a second alongside the site to the south

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so.

The majority of applications are determined under delegated powers by officers. Further information on the

decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of advertisement consent any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
