Subject: A/78/13/TC St Margarets Church Angmering

Dear James,

The applicant seeks to

- 1) fell 1 dying Western Red Cedar,
- 2) reduce height of 3 Western Red Cedars to a height of 4m and
- 3) lift their crowns over the garage to create a gap of 1m and
- 4) reduce tips of branch extending over garage block by 1.5m
- 5) Reduce height of Sweet Bay to 4m

The affected trees provide low visual impact and individually they do not require TPO at this time despite the above proposed pruning/felling works.

Regards

Ian
