Dear Sirs,

Thank you for your letter dated the 8 June 2018 regarding our application to reduce the silver birch tree in the southeast corner of the car park to the church. In response to your query I confirm that the proposal will be to reduce the tree by no more than 5m in height, 2m in spread, ensuring that any pruning is restricted to branches of no more than 70mm in diameter.

I trust that this answers your query and will allow you to validate this notice and allow it to proceed.

Should you require any further information please do not hesitate to contact me.

Yours faithfully

Ian Wieck
