Reduce 1 Silver Birch tree by no more than 5m in height & 2m in spread.
St Margarets Church, Arundel Road, Angmering,

I refer to your recent notification of your intention to carry out the above mentioned works and write to inform you that, after consideration of your proposal, it has been decided to OBJECT to this proposal and create a Tree Preservation Order.

The proposal to reduce the height and spread by 5m and 2m respectively does not meet the recommendations of BS3998 and would be likely to result in harm to the health and vitality of the tree with large pruning wounds being formed as well as undermining its visual amenity value and impact in the landscape.

You must not proceed with the works specified without the written consent of the Local Planning Authority. The documents relating to the Tree Preservation Order will follow shortly.

I trust this is of assistance to you.

Yours sincerely

Neil Crowther
Group Head of Planning
