Site Address: Rear of 40 and 88 Meadowside Angmering BN16 4BN

To whom this may concern,

I would like to object to Application No: A/80/22/CLP

I often use the public footpaths with my young children.

The children of Meadowside often ride their bikes through the public footpaths.

We also use the rear footpath when visiting our neighbours. I do not see how access to this would remain.

The design is not clear enough to show how our disabled neighbours would be able to continue to use the footpaths, and access to their back gardens.

Since the land has been barricaded off, it has left parking restricted. I often can't park on Meadowside.

These are my reasons for objecting to Application No: A/80/22/CLP

Yours Sincerely

Martin Hill
