Dear Kathryn,

I have discussed with the Applicant who is happy to agree to the EOT to 29th June, provided that the Legal Team are chased as soon as possible and regularly.

Kind regards

Rebecca Hoad MSc MRTPI

Subject: RE: Rear of 40 and 88 Meadowside, Angmering - Reference A/80/22/CLP

Dear Rebecca,

As per my previous email the legal department are reviewing the case, until which point, I will not be able to resolve which way our decision will fall for the application. Unfortunately, this will take the legal department sometime depending on their current workload, however I will send a chaser email to them today as when I opened the case with them, I gave todays date for resolution.

With this in mind and as the application is due today, would it be possible to get an extension of time to allow for this process to occur, can I suggest the 29th of June as the new determination date? If I could get your agreement in writing.

Many thanks,

Kathryn Welch

Kathryn,

Please could you let us know as soon as possible if your legal department has come back to you yet? Today is the target determination date and we have not received any update on the application so far.

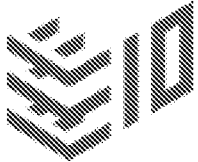

I look forward to hearing from you.

Kind regards

Dear Rebecca,

Many thanks for your email.

This application may over run its determination date as I would like to do some further investigation into the original application and refer it to our legal dept. for comment. I will of course update you should I need to extend the deadline.

Kind regards,

Kathryn Welch

Hi Kathryn,

Apologies for the mistake. We have checked the address which should be changed to 'Land rear of 36, 38 and 40 Meadowside, Angmering'.

Subject: RE: Rear of 40 and 88 Meadowside, Angmering - Reference A/80/22/CLP

Dear Ms Hoad,

As yet I have not had the opportunity to form any thoughts for the above application. I did have a queries about the site address though. Could I get you to confirm if its land behind 88 Meadowside or 38 Meadowside. I have a feeling the address details have been pulled from a poor photo on googlemaps where the shadow effect has lead the 3 to look like an 8.

Many thanks,

Kathryn Welch
