Hi Daun

The biodiversity checklist is attached.

Please note that the site has been surveyed for all protected species and the results were submitted as part of the outline application relating to the site. The conditions on the outline permission in relation to ecology have also been discharged.

Mr Frost,

I do still require the checklists and they are required for a Reserved Matters Application.

I did validate the application, assuming that the checklist would be sent very soon.

If you have any questions, please let me know.

Thank you,
Mrs Johnson

Dear Mrs Johnson

Further to your email to my colleague, Garry Hutchinson, I note that the reserved matters application for Quiet Waters has been made valid.

Do you still require copies of the Local Validation Checklist and Biodiversity Checklist to be submitted? Are they required for a Reserved Matters Application?

Best regards

Chris Frost, MRTPI
