Importance: High

Dear Michael

As per our brief telephone conversation of today...

Having reviewed the latest revisions to the plans I will state that my previous comments still apply to the application (see below)

EH comments in relation to A/81/18/RES

Having reviewed the submitted documents I am satisfied with the materials presented.

A/81/18/RES relates to...

'Approval of reserved matters following outline consent A/132/17/OUT for appearance, landscaping, layout & scale for demolition of existing dwelling & the erection of 30 No. dwellings. This application is a Departure from the Development Plan'.

I feel that Condition 25 (Construction Management Plan) of A/63/18/DOC sufficiently covers the demolition and construction phases of this development therefore Environmental Health have no further comments pertaining to A/81/18/RES.

Kind regards

Christopher Davis
