Planning Application No: A/81/18/RES

Site: Quiet Waters, Roundstone Lane, Angmering, BN16 4AX

Proposal: Approval of reserved matters following outline consent A/132/17/OUT for appearance, landscaping, layout & scale for demolition of existing dwelling & the erection of 30 No. dwellings.

Highways England Reference: #6098

Dear Mr Eastham,

Thank you for your consultation of 24 October 2018 informing us that amended plans have been submitted.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such Highways England works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity. We will therefore be concerned with proposals that have the potential to impact the safe and efficient operation of the SRN.

Having examined the amended plans submitted on 24th October, we note that they are in relation to on site details and therefore we are satisfied that the proposals will not materially affect the safety, reliability and / or operation of the SRN (the tests set out in DfT C2/13 para 10 and DCLG NPPF para 32). On this basis we do not offer any objections or requirements relating to the proposal and our response of 3rd July (attached) is still applicable.

If you have any queries regarding this response, please contact us at [REDACTED]
