Re: Planning Application No. A/82/12/
Land East of Roundstone Lane, Angmering BN16 4AL

OBJECTION NOTICE-RE-SUBMISSION NOTICE of

Dear Mr Roberts.

I refer to your letter to me of Feb 26th that I have only just received, with regards the above application.

I have ALREADY sent my detailed concerns regarding this development which has in no way been satisfactorily amended to address those concerns, which are in no-way mitigated by a slight decrease in house numbers, a typical developers ploy.

There are STILL no plans to increase the car parking spaces in the village square area (There is only ONE disabled space, for Gods sake!!) which means I often have to travel to Ruxington post office because there is NO PARKING available in Angmering village center. (I am a blue badge holder.)

Also, the new application does not address the very worrying issue of vehicular access routes, most importantly those to the A280, which is also getting worse and worse all the time.

I therefore have no-option but to continue my most fervent OBJECTION to this development.
yours faithfully
