Subject: Objection to Barratts revised planning application A/82/12 for 139 houses

I wish to express my objection to Barratts revised planning application A/82/12 for 139 houses why the reduction of 11 houses is thought to be any more acceptable is beyond me, however a reduction of 111 houses would be acceptable, perhaps this could be explained to Barratts!!

My reasons remain the same, traffic congestion, affordability, large scale developments as opposed to small scattered developments etc etc.

Moreover Arun should not decide on this application when Angmering's and Arun's draft neighbourhood plan is so far progressed or is this just more lip service.

Are you also prepared to consider applications from large developers when the last lot have STILL not built the promised new school.

PEOPLE OF ANGMERING VILLAGE DO NOT WANT ANY MORE LARGE SCALE DEVELOPMENTS!!!!!!!!!!!!

John Woodward.
