Subject: Objection A/82/12 Barratt's

Dear Sirs, It's against Aruns Policies to build on brownfield sites before greenfield sites and to avoid building outside built up ones. I would prefer small areas of new houses scattered throughout the village rather than large scale development on one site east of Roundstone lane. Fear of one development being the thin edge of the wedge. There is nothing planned for the elderly i.e. maisonettes, sheltered housing. Regards Thelma Robinson.

Id on brownfield sites beforre greefield sites and to avoid building outside built up ones. I would prefer small areas of new houses scattered throughtoout the village rather than large scale developments on one site east of Roundstone Lane. There is a fear of one development being the thin edge of the wedge. Also there is absolutely nothing for the elderly i.e. maisonettes, sheltered housing. We also need a decent bus service which would include a Sunday service.
