Dear Sir,

Objection to Revised Planning Application by Barratts
No. A/82/12 for 139 houses in Roundstone Lane, Angmering.

As a resident of Angmering I objected to the previous planning application to erect 150 houses in Roundstone Lane, Angmering, and my objection remains to any further building in Angmering village.

The infrastructure of the area does not support any further housing developments. With poor road links, overcrowded schools, a fully stretched medical centre and very limited parking in the village centre, the building of housing on the green land in Roundstone Lane is totally unacceptable.

At no stage in this revised planning application is the issue of inadequate infrastructure addressed.

Yours faithfully,

Chris Toms.
